Uninsured?

Finding Affordable Health Care Coverage Is Easier Than You Thought.

The Foundation for Health Coverage Education (FHCE) is a free resource that helps uninsured individuals and families access affordable health coverage. With many options to choose from, FHCE can find a free or low-cost coverage plan that fits your needs!

FHCE has a 24-hour hotline, making it simple to find health coverage for most anyone! Call today to hear about the many public and private health coverage options available and find one that works best for you!

FHCE understands the growing need for having health insurance and the high costs of premiums. That is why our mission is to simplify public and private health insurance eligibility information in order to help more people obtain coverage. Call 800-234-1317 today for more information or visit www.coverageforall.org.

Being without health coverage could be costly!
