Once your application is approved, we will send you an identification card, insurance policy and a provider directory. The insurance policy provides specific details of your plan's benefits and

the procedures you need to follow in order to get the maximum benefits to which you are entitled.

PLAN OPTIONS

HIPIOWA offers five comprehensive preferred provider plans to choose from as well as a Medicare carveout plan.

- PLAN E is a Medicare eligible plan for persons **under** 65 that are enrolled in Medicare. The plan pays secondary to Medicare and has an annual deductible of \$1000. If you are eligible for Medicare because you have reached age 65, you are not eligible for this or any other HIPIOWA plan.
- PLANS B, C, D, F AND G are preferred provider plans. These plans give you the option of choosing any provider but pay at a higher percentage of allowed charges if you choose a provider who is part of the Midlands Choice Network. They offer a \$1,000, \$1,500, \$2,500, \$5,000 and \$10,000 deductible. These plans are not available to Medicare eligible enrollees.

Check with your medical providers for their participation in the Midlands Choice Network or call Midlands Choice at 1.800.605.8259 prompt #5, to verify if your health care provider participates in the network. You can also review the Midlands Choice Provider network through the HIPIOWA web page @ www.HIPIOWA.com. A copy of the Midlands Choice Provider directory is also available on request. (All plan enrollees receive a directory with their medical plan contract document.)

- A Pharmacy Benefit is included on all preferred provider plans and gives you access to a nationwide network of pharmacies. By using the pharmacy network you will benefit from negotiated discounts on prescription drugs (upon presentation of your identification card). All drugs, supplies, medicines and pharmacy services must be obtained at a network pharmacy. Pharmacy services for Plans F and G are subject to a separate pharmacy deductible. Pharmacy services for Plans B, C and D are not subject to a separate pharmacy deductible or the annual deductible, instead they require a per prescription copayment. The pharmacy benefit has an out-of-pocket expense limit separate from the medical out-of-pocket expense limit. **Please Note:** There is **no** pharmacy benefit for Plan E, the Medicare Carveout Plan.

SUMMARY OF BENEFITS

The following pages are a brief summary of your Plan benefits. Benefits are subject to the full description, provisions, limitations and exclusions set out in the HIPIOWA Plan Policy, which is a complete Plan contract issued to You at the time of Your enrollment. Plan Policy documents are available for review on the HIPIOWA web site and are also available upon request to HIPIOWA. In the event of a discrepancy between this summary and the HIPIOWA Plan Policy, the HIPIOWA Plan Policy will govern.
