

Application for Medicaid

N.C. Department of Health and Human Services

This application is intended for medical assistance for the Aged, Blind and Disabled or those who want Family Planning services. A different application form is available for children and families who need Medicaid. Children under age 21 and adults with children in their care may be eligible for Medicaid without being blind, disabled or over age 65. You will need to list all family members who are applying for medical assistance. In addition, to ensure the applicants receive all possible assistance, list other persons in the home. Do not give us social security numbers, citizenship, or immigration status for these other persons.

If you have questions about Medicaid programs for which you may be eligible, please contact the Department of Social Services and ask to speak with a Medicaid caseworker.

Just mail or drop off the completed application at the department of social services in the county where you live. You can find address and phone number in your phone book under "County Government."

If you want to apply for Work First Family Assistance, Food Stamps, or Special Assistance (to pay for care in an Adult Care Home,) you must see a worker and complete an application at the Department of Social Services.

IMPORTANT NOTICE

IF YOU CHOOSE TO PICK UP THIS APPLICATION AT THE DSS OFFICE:

You or your representative have the right to make an application and have a face-to-face interview for Medicaid on the day you go into the Department of Social Services requesting medical or financial assistance.

If you cannot stay to see a worker to apply for Medicaid, but you want a face-to-face interview, you can schedule an appointment. Please see the receptionist if you want to schedule an appointment.

If you do not want a face-to-face interview and you complete an application and return it later, there is some information you should know:

- The date of your application is the date the Department of Social Services gets your completed application.
- Medicaid coverage can be requested for any medical bills incurred up to three months prior to the month of application.
- The date your Medicaid is started is based on the date of your application. If you wait until next month to return your complete application, Medicaid may not be able to help pay for medical services you received in earlier months.
- If you are unable or need help to complete the application or obtaining requested information, contact the Department of Social Services and speak with a Medicaid caseworker.
- You will receive a telephone follow-up call within two workdays.

What is Medicaid?

Medicaid is a health insurance program for those with income below amounts set by the federal and state government or with large unmet medical needs.

Who can get Medicaid?

- ◆ Individuals or couples who are elderly (age 65 or older)

See page 3 for what the state of North Carolina considers to be disabled and a description of the CAP program.

What will Medicaid pay for?

Medicaid can help pay for certain medical expenses such as:

- ◆ Doctor Bills
- ◆ Hospital Bills
- ◆ Prescriptions (*Excluding prescriptions for Medicare beneficiaries effective 01/01/06*)
- ◆ Vision Care
- ◆ Dental Care

- ◆ Nursing Home Care (LTC)
- ◆ Personal Care Services (PCS), Medical Equipment, and Other Home Health Services
- ◆ In home care under the Community Alternatives Program (CAP)
- ◆ Mental Health Care

Who can answer my questions about Medicaid?

You can contact your local county department of social services, call the Medicaid Eligibility Unit through the toll free CARE-LINE, Information and Referral Service, at 1-800-662-7030 or 1-877-452-2514 for the deaf or hearing impaired. The CARE-LINE is operational Monday through Friday (except state holidays) or visit DMA's website at www.dhhs.state.nc.us/dma/.

What is the Community Alternatives Program (CAP)?

The Community Alternatives Program (CAP) allows some Medicaid recipients who require institutional care (placement in a hospital, nursing home, or ICF-MR), to remain at home if their care can be provided safely and at less expense in the community with CAP services. CAP participants must meet all CAP eligibility requirements.

How do I know if I am disabled?

A disabled individual may be eligible for Medicaid if he is disabled according to the Social Security definition of disability. A child must meet Social Security's childhood disability rules. If you are disabled you:

- ◆ Are unable to work for at least one year due to your medical problem, or
- ◆ Have a medical problem that may result in death.

If you receive a Social Security (RSDI) or Supplemental Security Income (SSI) check because you are disabled you are automatically considered to meet the disability requirement for Adult Medicaid. Other individuals who apply for Medicaid and are over age 21, under age 65, and do not have children in their care, must be found to be disabled. This requirement does not apply to Family Planning Services only or to persons applying through the Breast and Cervical Cancer Control Program.

Medical Records

I agree to assign the State of North Carolina as the Remainder Beneficiary of any annuities that I may have. In addition, I agree that all medical payments or medical support paid or owed due to a court order for me or anyone listed on this application must be sent to the State to repay past or current medical expenses paid by the state.
