10. Applicant Information

PRIVACY INFORMATION - The information you give HSD will be used to determine whether your household is eligible or continues to be eligible to take part in the HSD programs. We will check this information through computer matching programs. This information will also be used to make sure that you meet program rules and help us to manage the program. This information may be given to other Federal and State agencies for official examination, and to law enforcement officials for the purpose of picking up persons fleeing to avoid the law. If you get benefits that you were not eligible for and have to pay them back, this is called a claim. If your household gets a claim against your household, the information on this application, including all Social Security Numbers, may be given to Federal and State agencies, as well as private claims collection agencies, for claims collection action.

Providing the requested information, including social security numbers of each household member is voluntary. However, each person applying for assistance must give a social security number or it will result in denial of program benefits to each individual applicant failing to give a social security number. Non-citizen immigrants not requesting assistance for themselves do not need to give immigration status information or social security numbers. Any Social Security Numbers provided will be used and disclosed in the same manner as Social Security Numbers of eligible household members. We will also check with other agencies, the Federal Income and Verification Service (IEVS), and the public assistance reporting information system (PARIS) about the information that you give us. This information may affect your household eligibility and benefit amount.

RESPONSIBILITY TO REPORT CHANGES – The information I give during the application process is used to determine eligibility. Changes in income or family size do not need to be reported until recertification, per SCI regulation section 12 of 8.262.400 NMAC, which applies only to the SCI program. I understand that I need to report if I move out of state or get other health care coverage within ten (10) days of the date of the change or as otherwise required.

CONFIDENTIALITY – I understand that all information I give to HSD is confidential. Information will only be used for eligibility purposes or to provide services. By law, confidential information may be released to other agencies that manage federal or federally-funded programs.

RELEASE OF MEDICAL INFORMATION – By signing this application, I allow HSD to examine medical records needed for eligibility decisions and/or for payment of benefits.

FAIR HEARINGS - If you don't agree with a decision we make about your case, you can ask for a Fair Hearing in person, by telephone 1-800-432-6217 or at (505) 827-8164 or in writing within 90 days of the date that a notice has been sent informing you of any action that has been taken on your case. Please mail your request to the HSD Hearing's Bureau at PO Box 2348 Santa Fe, NM 87504.

CIVIL RIGHTS STATEMENT – All programs administered by the Human Services Department (HSD) are equal opportunity programs. If you believe you have been treated unfairly because of race, color, national origin, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program, you may file a complaint. Complaints of discrimination may be filed with the HSD central office or the local HSD county office. Complaints of discrimination about the Food Stamp program may be filed with the USDA, Director, Office of Civil Rights Room 326 W, Whitten Bldg., 1400 Independence Ave, S.W. Washington, DC 20250-9410 or call (202) 720-5964 (voice and TDD). Complaints of discrimination about Cash Assistance and Medical Assistance programs may be filed with the Office of Civil Rights, Department of Health & Human Services, 1301 Young Street, Suite 1169, Dallas, TX 75202 or call (800) 368-1019 (voice) and (214) 767-8940 (TDD).

If you have an application pending with the Social Security Administration or a pending Medicaid application, it is possible that you may be eligible retroactively (i.e., for months that are in the past) for full-coverage or no-cost Medicaid. SCI may require premiums and co-payments, which will **not** be refunded to you for the months in which you are later found to be retroactively eligible for full-coverage or no-cost Medicaid or Medicare.

- To permit the Human Services Department (HSD) to contact persons or agencies to verify needed information if I am not able to provide the information.
- To allow all information I give to HSD to be matched by computer with other federal, state, and local agencies.
- SCI benefits are similar to a basic commercial health insurance plan. Premiums and co-payments may be required. If required, monthly premium payments **must** be paid on time. By submitting this application, I acknowledge that SCI premiums and co-payments, if applicable, are not refundable and I voluntarily forfeit all payments that I may have made. Native Americans enrolled in the program do not have co-payments.
- I acknowledge the limited nature of SCI and understand that if I am hospitalized at the time of initial approval for SCI, I may enroll with the Managed Care Organization (MCO) but the MCO shall not be responsible for my health care costs until after discharge from the hospital.
- HSD will use the information I give to determine my eligibility, so the information must be as correct as possible. If the information I report is false, incorrect, or incomplete, my benefits may be denied or closed.
- If I knowingly give false, incorrect or incomplete information, I may be prosecuted for that crime.
